

# New Jersey Association for Gifted Children

prepared by Roberta Braverman, NJAGC Advocacy Vice President [advocacy@njagc.org](mailto:advocacy@njagc.org)

**NJ Administrative Code (law)** <http://www.state.nj.us/education/code/current/title6a/chap8.pdf>

**6A:8-1.3 Definitions** “Gifted and talented students” means students who possess or demonstrate high levels of ability in one or more content areas when compared to their chronological peers in the local school district and who require modifications of their educational program if they are to achieve in accordance with their capabilities.

**Frequently Asked Questions** [http://www.state.nj.us/education/genfo/faq/faq\\_gandt.htm](http://www.state.nj.us/education/genfo/faq/faq_gandt.htm)  
p. 16-17

5. District boards of education shall be responsible for identifying gifted and talented students and shall provide them with appropriate instructional adaptations and services.

- i. District boards of education shall make provisions for an ongoing K-12 identification process for gifted and talented students that includes multiple measures.
- ii. District boards of education shall provide appropriate kindergarten- through-grade-12 (K-12) educational services for gifted and talented students.
- iii. District boards of education shall develop appropriate curricular and instructional modifications used for gifted and talented students indicating content, process, products, and learning environment.
- iv. District boards of education shall take into consideration the Pre-K–Grade 12 Gifted Programming Standards of the National Association for Gifted Children in developing programs for gifted and talented students.
